Hi Alex,

Yes, I received these on the road but I'll have my BGR colleagues print them out.

Jack, do you have the ability to print these materials out in Varna? Assume you were already on the road when you received them.

Jack,

Please see attached a list of questions for Zhukov. The agents will be able to provide the referenced photos. I'm also attaching some hot docs in case the interview progresses to a point where it makes sense to use them.
